Health & Safety

Please advise the coach of any injuries or medical conditions

Children

We strongly recommend that all children attending BBF dojos are accompanied to and from each training session by an adult.

We also require all children to behave within the spirit of a martial art dojo and show respect to their instructor.

Martial Art weapons

The BBF only support the use of weapons when:

- they are authorised and catalogued with the BBF
 - they are only carried to and from the dojo on an authorised training night
 - concealed in a bag and carried with an authorised training uniform
 - the member has an up to date license
