Photography and Video Consent Form

In accordance with the Good Practice Guidelines for use of photography and video produced by NAKMAS National Governing Body, it is suggested that written consent is to be received from all parents or guardians when taking photographs or videos of children.

Budo Kai Ju Jitsu Academy (BKJA/S) (name of affiliate) is committed to ensuring good practice is followed in relation to photography and video use within martial arts activities.

This includes adherence to safe storage guidelines, as outlined in the NAKMAS Welfare Policy.
